Dear Sir,

## OUR COMPANY

MARINE SERVICE & SUPPLY CO, INT'L LIMITED an affiliate of Marine Service & Supply Co. Inc. U.S.A was incorporated in Nigeria in order to gather together a portfolio of experienced Niger Delta indigenes with strong credentials in the marine offshore industry as stake owners, in compliance with the Federal Government Policy on Local Quantum Participation. We are a diversified service and supply company serving the oil and gas industry, petrochemical, marine, environmental, and consumer markets globally with value based solution in the following service areas amongst others:

- Marine Logistics, Procurement & Support Services
- Dredging Operations & Subsea Maintenance Services
- Marine Safety & Oil field Procurement Services
- Marine Surveys & Environmental Services
- Marine Delivery of Petroleum & Energy associated Products
- Surface Cleaning & Pest Management Professionals
- Local cargo support vessels
- Authorized Service Station for Life Saving Equipment

We are a customer focused, product driven & service oriented firm that utilizes its extensive capabilities, partnership network, and commitment for continuous improvement to make the company an ideal partner for client project needs.

## OUR MISSION

To put together a professional knowledge base, highly motivated and integrated workforce with responsibility to deliver value based solution to assist clients meet their business goals through the innovative application of emerging technologies and improved practices.

## OUR VISION

To become the company of choice for the provision of quality products, services and solution that meets or exceeds clients' expectations.

## MANAGEMENT TEAM

Marineserv Management team consists of key personnel with extensive and varied experience in the Marine Offshore Oil & Gas Industry. The ability to deliver strategic thinking skills necessary to 'see' beyond the technical detail of the project is of prime importance in all aspects of our business activities.

We have the people, the resources, and the tools to make it work.
